INSTALLATION

For this addon to work you should have ArmA2 1.03+ installed. Compatibility with other versions has not been checked. This addon is NOT compatible with ArmA1.

Files present in the release:

rhs_decals.pbo
rhs_decals.pbo.rhs.bisign
rhs.bikey
README_EN.pdf
README_RU.pdf

Place the files "rhs_decals.pbo" and "rhs_decals.pbo.rhs.bisign" into the ArmA2 addo-on folder. For example: "C:\Games\ArmA2\AddOns". Furthermore, files can be put into a mod folder, for example: "C:\Games\ArmA2\@RHS\AddOns". Public key: "rhs.bikey" should be copied into the server key folder for example: "C:\ArmA2\Keys".
